DEMI LOVATO VISITS DISNEY REHAB (G.KIYOOKA)

DEMI, LINDSAY, MOM, BRITNEY, SEAN, BOBBY (70)& FRED

LIGHTS UP ON: FACILITATOR STANDING NEXT TO A HALF-CIRCLE OF EMPTY CHAIRS. DEMI ENTERS AND FACILITATOR GREETES HER:

FACILITATOR

Welcome to Cliffside Malibu. I'm the group facilitator in celebrity rehab. I'm Fred. What's your name?

DEMI

I'm Demi Lovato. I just turned 18 and this is my first time in rehab.

FACILITATOR

Nice to meet you Demi. Here at Cliffside we use the friendship circle. We've paired you with a new friend to make your time here more comforting. Both of you work in entertainment, you have a lot in common.

Facilitator beckons Lindsay (O.S.) to ENTER:

FACILITATOR (CONT'D)

Demi Lovato, meet Lindsay Lohan. I'll leave you to get acquainted.

FACILITATOR exits.

LINDSAY

Whassup? I just got outta prison and this alcohol monitoring bracelet is making my ankle itch.

DEMI

Prison! Wow, now I don't feel as bad about coming here.

MOM, BOBBY & SEAN ENTER and seat themselves in chairs.

LINDSAY

My advice is to stick with Jack Daniels. It's socially acceptable and easier for your personal assistant to get on short notice. C'mon, there are lots of Disney people here. Let me introduce you to the gang.

Lindsay leads Demi to the chairs just as Facilitator ENTERS:

FACILITATOR

Now everyone, it's time for our share and release session. Share something about your problem and then release it into the the universe! Please welcome first timer, Miss Demi Lovato!

ALL

Hi Demi/Hi!/Welcome.

FACILITATOR

Lindsay, why don't you start. You're the most experienced member of our little group. You've been here at Cliffside so many times you're practically family.

LINDSAY

I practically grew up here.

FACILITATOR

Everyone, let's take a moment and thank Lindsay for her financial contributions to this institution. After all, she and her mom paid for the new pool and spa.

ALL

Thanks/grumbles/etc.

LINDSAY

Hi, my name is Lindsay Lohan. I have an alcohol problem. And a cocaine problem. And I'm addicted to twitter. Anyway, I feel like my substance abuse is rooted in my relationship with my mom. She doesn't really love me.

MOM

That's not true, Lindsay. You know I love you honey.

LINDSAY

Your love is superficial. Everyone says so. Plus, you shouldn't be here because you didn't work for Disney. This is for Disney people.

MOM

When you were just a baby I used to drive you to the set, drive you to auditions, and cash your checks from the Walt Disney Company. If that's not working for Walt Disney, I don't know what is.

FACILITATOR

We've been over this before, Lindsay. Your mom has every right to be here. She's a substance abuser and she has toiled away in Disney's Burbank sweatshops just like everyone else here.

BOBBY

You're not the only child to get exploited by Disney, ya know. My name is Bobby. I'm an original mouseketeer and I'm addicted to valium.

FACILITATOR

Good, Bobby. Now release it into the universe. And receive love.

BOBBY

Yeah, go fuck yourself.

SEAN

Hi, my name is Sean. I played Pet in Pete's Dragon. And I can't get arrested in this town because I have a problem with marijuana and now possession is no big deal. Yeah, I'd like to go to jail. I'd like to piss off a judge. I'd like to violate the terms of my probation and get my face plastered all over the front page of TMZ, but NO! Since I don't drink and drive and do COKE like Lindsay, nobody knows that I'm an actor.

FACILITATOR

Good, Sean. Let it out! Breathe in the hatred. Breath out love.

SEAN

You can stick love up your ass.

DEMI

Um, my name is Demi Lovato. I'm not sure if I should be here. I'm addicted to Rodeo Drive and Starbucks Venti Mocha Frappuccino with an extra pump.

LINDSAY

Starbucks is a Disney gateway drug. That's how they get you started, right mom? Remember how they had a barista at the craft services table on the set of Freaky Friday?

MOM

I remember, darling. First caffeine, then Red Bull and then methamphetamine.

DEMI

NO, I mean, my publicist made me come here. She said every Disney kid should rebel to facilitate the transition to adult roles.

BOBBY

Well good for fucking you. They didn't have that kind of strategic advice for me when I was wearing the mouse ears.

SEAN

Enjoy it. It won't last.

ENTER BRITNEY SPEARS. She sits.

BRITNEY

My name is Britney. I used to think I was in control of my career. I used to party. And then Child Support services took my babies away from me. And it's all because my publicist told me to act out against my fans and my image.

LINDSAY

You are really fucking messed up.

BOBBY

You know, my problems don't really seem all that big now.

SEAN

Now I feel like such an asshole.
Oh Britney, we are all totally
cheering for you. You hang in
there girl, 'cause we love you.
You're on of us. You're family.

DEMI

I think I'm in the wrong place.
Maybe I just need to get a pedicure
and like, go shopping.

BLACKOUT.
