YES ON PROP 19 (KIYOOKA, REPETTO, HUGHES, WILBURN)

CAST: STEVE, GARY, DEAN and GAIL

LIGHTS UP ON: 3 GUYS IN CHAIRS & A GIRL (17) YELLS:

GAIL

MOM! Steve and his stoner friends are down here in the basement smoking weed again.

STEVE

Chill baby sister. Mom can't bust us anymore because weed is totally legal now in California.

GAIL

For your information, Prop 19 was defeated so weed is still illegal. Especially in mom's house!

STEVE

No way! We all went down and voted YES and we never even voted before.

DEAN

I heard there was a record voter turnout. High five, bros! Just doing our gubernatorial duty.

GAIL

Record voter turnout in Berkeley, Humbolt and Santa Cruz. But there was also record numbers of spoiled ballots. From idiots like you.

STEVE

My ballot wasn't spoiled. Just to make sure I got it right, I voted YES on **every proposition**.

GARY

I went down to the polling station and I was all, "I'm here to vote for Proposition 420". And the lady was like, "There is no Proposition 420." And I'm like, "I know my rights! I'm here to vote to legalize it." She was **totally** part of a government conspiracy trying to trick me into not voting. So I voted YES on everything, too. All the dots lined up in neat rows so I know my YES got counted.

STEVE/GARY

YES!

GAIL

You guys voted YES on everything because you were stoned when you voted? That is sooooo stupid.

DEAN

I DIDN'T VOTE YES on every proposition. I looked into the dots and saw a pattern. It spoke to me. It told me what dots to fill in.

DEAN lifts his VOTING CARD. It has a SPIRAL OF DOTS FILLED OUT like 70s STRING ART.

DEAN (CONT'D)

Look, I'm gonna put it up on my ceiling next to my Reggaton poster.

STEVE/GARY

Coooool!

STEVE

I see a flower. Like a bud. Kush or something.

DEAN

Or it could be the face of Jesus. Or John Lennon.

GAIL

For your information, Dean, you're supposed to fill in only one dot per ballot proposition and then turn in your card. So your ballot is spoiled AND your vote doesn't count. You practically defeated Prop 19 all by yourself through gross incompetency.

DEAN

You don't know, Gail. Because, number one: you've never been stoned. Number two: voting is hard because I saw on TV that Meg Whitman had trouble voting and she's smart and rich. Number three: following a clear line of political discourse is practically impossible when you're fucked up.

GARY

Yeah, Gail. You wouldn't know because you've never been stoned.

STEVE

Yeah, Gail. You should try political disco when you're stoned.

GAIL

Voting is important and you pissed all over it.

STEVE

How was I supposed to know that little booth was for voting? I needed some privacy to take a leak and I didn't want to give up my place at the front of the line.

GAIL

Wait, you actually peed in the voting booth? I'm gonna tell mom.

STEVE

Go ahead, tell mom. Nobody saw me cause I pulled the curtain closed. You can't prove it.

DEAN

Dude, I need growlies. Let's hit up 7-11 for snacks.

GAIL

Not so fast. You realize that you voted YES on Proposition 31 which made all junk food illegal in the State of California!

GARY

I knew it! The government tricked me into voting against myself.

BLACKOUT.
